Germany

Dear Mr. Paul,

This note is to confirm that you and the Kinderregenwald Verein Deutschland e.V. are fully authorized by me (the photographer) and the Guanacaste Dry Forest Conservation Fund to use any images or other information that we have sent, on your web site or in any other kind of notices, blogs or advertisements that you produce.

Thank you very much for all your support over these years. ACG continues to grow and develop (www.acguanacaste.ac.cr) and we hope you can continue to support that growth and development.

Thank you.
