Dear Roland,

Greetings from Monteverde, Costa Rica. As the legal representative of the **Monteverde Conservation League (MCL)**, I am writing to formally authorize **Kinderregenwald Deutschland E.V.** to use photographs, maps, text, videos, and other audiovisual materials provided by the MCL on their website, in print materials, for educational and promotional presentations, and other related uses. Such materials may be sent directly to Kinderregenwald by the MCL, or they may be copied or downloaded from our website, newsletters, or social media accounts.

The MCL is a private nonprofit organization with Costa Rican business identification number 3-002-075864. It is the owner and steward of the Children's Eternal Rainforest (or "BEN", after the Spanish, *Bosque Eterno de los Niños*), Costa Rica's largest private reserve with nearly 23,000 hectares. Straddling 7 different life zones, the BEN is one of the most biodiverse places on the planet with respect to its size. The BEN was bought and protected thanks to the fundraising efforts of children from around the world, and continues to thrive thanks to the support of organizations like Kinderregenwald Deutschland E.V.

If you have any questions, please do not hesitate to contact me at lstallcup@acmcr.org or by telephone at the numbers listed below.

Sincerely,

Lindsay Stallcup
